# FORMER SAINT

## OUR STORY

Our name "Former Saint" is a direct nod to the history of our location. In 1864 three intrepid Sisters of Loretto traveled from Santa Fe to Denver to lay the foundation and open the doors of St. Mary's Academy, where it remained until 1910.

We draw our inspiration from that spirit and all that Colorado has to offer. Like Colorado's culture itself, our food is thoughtful and unpretentious while having a strong sense of adventure. Former Saint's menu is crafted to celebrate the bond between food and drink.

We partner with a community of ranchers, farmers, brewers, distillers, and vintners to supply hand-selected sustainable meats, produce, craft beer, spirits, and wine. We use the best seasonal and local ingredients available.

All that being said, we are pretty certain the Sisters steered clear of the beer, some things do indeed change with the times.
